Pat,

We were under the impression that the Cag was being reorganized. Who is the official CAG that's recognized by the EPA? Generally speaking, CAG meetings are held at the church or Borough Hall. At this time of the year school scheduling is more difficult. Please advise

Subject: EWA request for use of Ryerson School

Bob,

In your recent email to us, you requested that EPA reach out to Ryerson School and request dates that the school might be available for a CAG meeting. Please be advised that requests to use the school must be made through Scott Heck. EPA has not made the request directly.

Thank you  
Pat
